Dear Mr. Barnes:

I trust that your day is progressing well. It was an honor and pleasure meeting you on Monday, April 12, 2010 at Largo Evening High School located in Largo, Maryland.

As an educator, it is my paramount goal to expose my students to the endless opportunities that life has to offer while empowering them to succeed. It is the vision of Largo Evening High School (LEHS) to empower students to compete in our ever changing multicultural 21<sup>st</sup> century society by equipping them with competencies and tools needed for success. Our student population is approximately 900 students ages 16 or older who were classified as "At Risk" of not earning a high school diploma. The structure of our program allows students who were not successful in their larger base schools an opportunity or chance in a much smaller and more structured environment.

On behalf, of the Class of 2010 of LEHS, I would like to formally thank you for your contribution towards the purchase of Prom tickets for the students who are experiencing hardships. As we embark on our First Annual Evening High School Prom, which is a journey that will continue to change the lives of students positively. You are truly a community partner. And you are making a difference in the lives of children.

Please, travel with us as we celebrate the Class of 2010's Prom on **Thursday, April 29, 2010**. The theme of this year's Prom is "**Mardi Gras!**" The Prom will be held at the beautiful University of Maryland's Golf Course Country Club from 8:00 pm until midnight. Should you have any questions please contact me at or Mr. Oliver Bridges, Jr., our great Principal.

Once again, thank you for your priceless donation, consideration and collaboration! We are sure our students will enjoy the wonder of attending their own Prom and have memories that will last a lifetime. Be blessed!

Sincerely,

  
Carolyn A. Yeager,  
LEHS Senior Class Cosponsor
