Re: Thanksgiving Gift Baskets

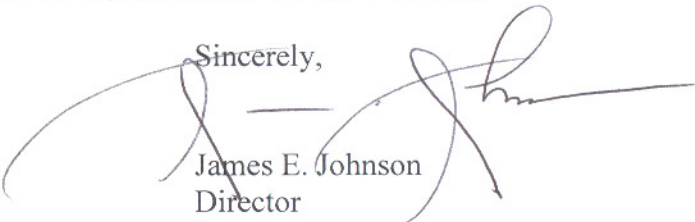

Dear Mr. Barnes,

The Housing Authority of Prince George's County and the Housing Choice Voucher families thank you for your generous gift of fifty thanksgiving gift baskets. We appreciate your gesture and all that you have done in spreading the spirit of Thanksgiving.

Thanksgiving is a joyous celebration. In remembering the unprivileged citizens of Prince George's County, Men Aiming Higher is already energizing and encouraging positive self-esteem by giving reasons to be grateful. Your organization is already taking steps in transforming lives.

We sincerely thank you for your kindness and may you and your organization continue to be richly blessed in your desire to help the less fortunate in the community. We look forward to working together with you in the future for a great Prince George's County.

Sincerely,

James E. Johnson
Director
